

We're looking for more places to set up shop

Cats Protection is the UK's leading cat welfare organisation and is expanding its charity shop portfolio. We are currently trading from over 100 retail units and require a further 40 shops in 2017.

A well-established charity, Cats Protection was founded in 1927 and is considered to be an excellent covenant.

Its charity shops trade in goods donated by the general public. This raises funds for Cats Protection's work in re-homing and reuniting 46,000 cats and kittens every year through a network of over 250 voluntary-run branches and 30 adoption centres.
